Introduction:

BANGLADESH is one of the biggest ready-made garment manufactures in the world. In this connection ANGEL BUTTON LIMITED established in 2005 a fully automated computerized & specialized button manufacturing plant. We are trying to establish our quality of product to deliver the prominent garments industries, suppliers or nominated buying house with our best effort & efficiency. To save the world we are using state of the art & double standard formula disposal of waste material. We are **OEKO-TEX STANDARD 100 certified** company.

We are following the findings for your satisfaction:

- ✓ Improve the quality
- ✓ Enhance the capacity as per requirement
- ✓ Spread the Market in Global Arena
- ✓ Improve the plant in standard position
- ✓ Connect with Social Responsibility
- ✓ Established the corporate facility
- ✓ Connect with Social Responsibility & Hospitality
- ✓ State of the art vision

Starting from the development process of the company & with each step towards developing a single button we are determined to establish our self as the best in the field with our specialized machines and automated process eliminating any errors and satisfying the customers full filling their all needs.

We want to go beyond success to significance. We want to make a difference. We want passion, excitement, and a sense of deeper purpose from our work. Our objective is to supply high quality products with competitive prices, prompt delivery and excellent services. We are convinced that joint efforts business between us will lead to mutual benefits.

- ✓ Improves quality & commitment in highest standard level to reach our goal
- ✓ Facilitates coordination and information sharing both buyer and manufacturer to the participating organizations.
- ✓ Enhances the production capacity and efficiency to perform the order at a glance.
- ✓ Facilitates coordinated crime prevention and reduction.
- ✓ Provides high levels of data security.
- ✓ Provides an open, flexible, reliable technology base for the future.

Human Resources
